THAT'S A FINE HOWDY-DO!

Who was calling so early in the morning? Hoping for a sexy siren, Brody Sawyer instead got an earful from an angry woman demanding he keep a date with their children. Trouble was, Brody didn't have any kids! And the lady hung up in a huff without knowing she had her wires crossed!

Divorced mother Noelle Chandler might have dialed the wrong number, but she certainly got the right man. Tall, dark and dangerously handsome, the charming cowboy who'd shown up for the date had her dreaming of hearth and home. Though Brody seemed set on running from a ready-made family, Noelle reckoned on lassoing the rugged rancher with love!
